to helping teens be the best
version of themselves using a
practical and biblical point of
view.**

\$5 Donation is Appreciated but not
required to attend

Mission Statement
Recognizing the physical and emotional
effects of a sedentary lifestyle, the
organization’s fitness and nutrition program
was established to teach personal excellence
in fitness, nutrition, and life, while
encouraging a belief in personal
responsibility, instilling positive habits, and
demonstrating passionate commitment to
excellence.
